

LITTLE TERRACE APARTMENT

Alma Vivoda 12, 6330 Piran

HOUSE RULES

Dear guests, welcome to the Little Terrace Apartment!

To make your stay more pleasant, please respect the following rules:

General conditions:

- Max 4 people can stay in the apartment at the same time. Those, who are not officially registered, cannot stay in the apartment.
- Upon arrival, you will get the keys of the apartment and house entrance.
- Each time, when leaving the apartment, turn off all devices (TV, air conditioning, electric radiator, stove, oven), close all windows / doors, and lock the entrance doors twice.
- In case of bad weather please remove the garden furniture and hammock from the terrace.
- Please use water and energy (cooling / heating) economically. When using air conditioning please check, that windows and doors are closed.
- Tap water is drinkable.
- Pay attention to your kids and use safety fence on the stairs.
- Please report any damage to the responsible person immediately. For damaged inventory we will charge appropriate compensation costs.
- Please respect the neighbours. After 11 am respect the public peace and order.
- We do not take any responsibility for money, jewellery and other items you store in the apartment.
- Locked cupboards are not intended for guests.

Cleanliness:

- During your stay all rooms must be treated with care and kept clean.
- Please take off your shoes when entering the apartment.
- Place wet clothing / equipment in the bathroom or on the terrace.
- Before your departure wash the dishes, remove waste and all of your food / drink from the apartment.

Safety:

- Inform the responsible person about your departure and return all the keys. The compensation for every lost / stolen key is 50 EUR.
- Please do not try to repair the electrical or plumbing installations by yourself. Report any damage to the responsible person immediately.

- Switching on the cooking hob: hold the power button (On/Off) and with +/- adjust the intensity of the hob.
- The voltage of electrical networks is 220 V.
- The main water valve is located in the bathroom, under the toilet cistern.
- In case of fire, proceed in accordance with the fire safety regulations, placed in the apartment.

It is not allowed to:

- smoke in all rooms; you can smoke on the terrace, where ashtrays are available;
- have pets in the apartment;
- use open fire;
- (re)move the furniture and other inventory;
- use cooking hob and oven at the same time (the risk of overloading);
- lean over the terrace wall and staircases walls.

In case of any problems or uncertainties, do not hesitate to contact us.
We will be happy to help you.

In the case of non-compliance with the house rules, we reserve the right to cancel your further stay in the apartment and charge the total price for the reserved period, regardless whether you stayed in the apartment for a shorter time.
